## Construction Document Review Initial Submittal Instructions

- Four (4)** complete sets of construction documents shall be submitted with the application (including all Specifications Manuals & Structural Calculations).
- One** Energy compliance worksheet or signed **ComCheck** for building envelope, lighting and mechanical installations.
- All construction documents shall be signed and sealed by a PA registered design professional.
- A Site Plan shall be submitted with each set of construction drawings.
- Three (3) copies of a Soils Report sealed by a PA registered design professional shall be submitted (New Work Only)
- One set of signed and sealed Sprinkler drawings (if applicable) in accordance with NFP A 13 shall be submitted.
- One set of signed and sealed Fire Alarm drawings (if applicable) in accordance with NFP A 72 shall be submitted.
- The application has been completed and signed.
- The instructions page (this sheet) has been read and signed.

### General Instructions

Upon receipt of a completed application and the required construction drawings, a code review in accordance with the adopted model Building Code will be performed by a Certified Plans Examiner. Reviews are conducted in the order they are received. A detailed list of comments (if applicable) will be forwarded to the applicant. The submitted construction drawings will be retained by **PCS**. Four (4) sets of revised construction documents (if required) as well as a corresponding response to the comments shall be submitted for a re-review. The construction drawings will only be stamped "Approved" when all code violations are corrected.

Note: The review fee includes an initial review and (1) re-review of the revised drawings. A fee in the amount of 50% of the original fee will be charged if a Third review is required. The "Approved" construction documents will not be released for permitting until all invoices are paid in full.
