Permits may be ordered via mail. Enclose your check in the proper amount, your permit number, and a self-addressed stamped envelope. Allow enough time for return mail.

When requesting multiple permits and/or multiple months, please fax your order, including the customers' names and related permit numbers.

Please allow a minimum of 48 hours for processing multiples.

PARKING REGULATIONS

- The cost for an initial permit will be prorated based on the first month's purchase date. Any subsequent purchases will be at full price, regardless of purchase date.
- Lost permits may be replaced at a cost of \$10 per permit per month, with the exception of the Center City Garage parking cards, which require a \$25 replacement fee.
- There is no grace period regarding the exhibiting of permits. They must be displayed on the first day of the month, with the current month and license number clearly visible from the front of the vehicle. Hanging permits must be hung on the rear-view mirror; dashboard permits must be placed on the driver's side.
- If your usual permit is not purchased by the first of the month, it will be considered unclaimed and will be available for sale to another parking patron, if needed.
- It is illegal to copy, reproduce or transfer parking permits.
- Garage and lot parking must be pull-in only (no backing in).
- Changes in license plate numbers must be reported to maintain accuracy of City records.
- Please memorize your permit number in order to expedite your permit purchase.

STREET PARKING:

- Street permits may be used for street meter parking only, with these exclusions: not at **red** meters; not in the blocks from McKean St. (1 block east of Main St.) to Washington St. (1 block west of Main St.), and between Brady St. (north) & Wayne St. (south).

TIER PARKING:

- Tier permits are valid only above Meter #129 and at bagged meters. Those parking at a bagged meter without a permit will be ticketed.
