On May 7th Butler City Council voted to follow the Governor's Red – Yellow – Green rules for the opening of the City's park system. With Butler County's move into the Green phase, the following guidelines will be in effect starting today, June 5th May 25th. These guidelines are based on the latest recommendations of the Pennsylvania Recreation and Parks Society (May 23rd) who developed them with guidance from the PA Department of Health and Governor Wolf's Process to Reopen Pennsylvania.

1. All playgrounds are open.
2. Parks are open for walking and biking with social distancing of 6 – 15 feet.
3. Picnic shelters are available for use but individuals should continue to maintain social distancing.
4. The skate park is open with a maximum number of individuals of 90.
5. Basketball courts are open for games with a maximum number of individuals of 40 per court.
6. Games are now permitted on baseball, softball and football fields at Father Marinaro, Whippo Avenue and Memorial Park with no more than 90 individuals in attendance, including spectators.
7. Tennis courts are open for single and doubles play with a 15-minute buffer between groups of participants.
