Social Media: FB posts

Inventory: Carol and Diane have checked on some missing trees

Shade Tree Email: D'Antonios (stump too close to gas line to grind safely)

Without support of council and code office it is impossible to keep up with the violations going on around the city.

Diane sent message to all reminding of the dangers of string trimmers.

Motion to replace Plane tree at Mystique Moon: Julie 2nd: Michael – approved.

Quote from Garguilos accepted for \$1380.59 – (remove tree, clean well, new soil, purchase of tree) Soil sample has been sent out, other reasons for failure listed: suspect that constant dog urine has been a factor – along with normal street tree stressors. Owner will be drenching soil often.

New Business:

letter to Dan Herr – no update.

Gina Malcana of 325 Cunningham sees that her tree is slated for removal by power company. Would like a replacement if possible.

General Discussion or comments:

Places to distribute our postcards: members took some to look for places to either give out, or give to residents who have HWA.
