The abatement issues listed below **should** include property code issues **not** on the checklist.

Known Abatement Issues Description	Estimated Date of Abatement	Acknowledgements	
		Landlord	tenant
	____/____/____		
	____/____/____		

- If **no** abatement issues are present, the landlord may keep the physical copy of this form without official submission to the City. It must be presented to City Code Enforcement upon a property being cited under any City Code.
- Completion of this form must be acknowledged during Rental Occupancy reporting if a physical copy is not provided to the city.
- If there are known abatement issues, a physical copy of this form **must** be submitted to the City Building within ten (10) of the tenant taking occupancy of the property.
- If more than two abatement issues exist, attach on a separate piece of paper with the above information and acknowledgments completed.

Tenant, Landlord, and City Relations Requirements		
	Rental occupancy report has been updated with the City Treasurer's office.	
	Tenant has been informed of their rights under the PA Law and City Ordinances	
	Tenant has been provided a copy of this report upon taking occupancy.	

By signing below, both parties agree all parts of this form are true and accurate.
