October Public Announcement – Municipal Separate Storm Sewer System (MS4)

As part of an ongoing education plan, we would like to remind local residents to properly clean paintbrushes in a sink, not outdoors. Properly dispose of excess paints through a household hazardous waste collection program or donate unused paints to local organizations. Also, sweep and properly dispose of construction debris such as concrete and mortar. Always protect your hands, eyes, and ears when working and touching construction materials containing chemicals. If you are unsure how to properly dispose of construction waste, please contact your local municipality. Never dump anything into the storm sewer system.
